Pace Jazz Ensemble and Combo
Pace Indoor Guard & Percussion*

Summer 2023

Dear Pace High School Band Supporter,

This spring, the students of the award-winning Pace High School Band program are reaching out for your financial support. Our program is proud to provide our students with musical experiences that no other school in our area can match. However, these experiences come at a higher price tag each year.

It costs a lot of money to run an organization of our size and caliber. Each student in the Pace High Band program is asked to fundraise anywhere between \$400-600 annually. Students wishing to participate in additional performance ensembles such as our Indoor Percussion and Color Guard groups are asked to fundraise an additional \$800-1,000 each year.

Annual costs include transportation to local, regional, and national performances and competitions, instrument repair and maintenance, sheet music, arranging and copyright fees, district and state circuit fees, uniform fees, and classroom supplies. As our program continues to grow, we also struggle to make sure that every student has access to their own instrument and necessary instrument accessories.

This spring, we are asking if you would be willing to sponsor a current band student through a single financial donation of any denomination. Checks can be made out to "Pace High Band" and should be mailed to the address below. Please include the attached Donation Form. If you would prefer to make an online credit card contribution for a specific student, please visit our band website for additional details and instructions.
