SUGGESTED PAYMENT SCHEDULE

Why am I being asked to make a “Contribution” to the band program?

Individual student Contributions go towards meeting our Band Budget for each year. It is very possible to fundraise this entire amount. Keep in mind that Additional Expense items require money upfront.

Will my child be penalized if I cannot afford to make a Contribution?

Absolutely not. However certain items may not be ordered if you have not submitted a payment.

How do I submit monthly payments?

1. Drop a check in the band drop box, located on the band office door that leads into the main band room. Checks should be in an envelope, labeled with the student name. Checks should be made out to “Pace High Band”.
1. Mail a check to the school. Distant family, friends, and businesses are encouraged to do the same.
